

## ABOUT THE BOOK

And the LORD God **planted a garden** eastward in Eden; and there he put the man whom he had formed.

In this book, I shall be looking at the nature of God as a gardener and how that nature and the work it entails has great spiritual lessons and application in our lives as Christians. I will also be looking at the response God expects from those who are today His garden.

I now invite you to a fresh and new understanding of the Christian journey through the nature and work of GOD THE GARDENER.
